

Book Fair Info Session (follow-up notes):

Hello everyone!

Thank you to everyone who was able to join the Book Fair Informational Session this past Wednesday, December 11th. We were really excited to kick things off and hear your great ideas for how we can make this year's Book Fair a success! We're attaching the slide deck to this email, which contains the information we went over, as well as our contact information. During the meeting, we went over the various volunteer opportunities (as we see them right now), which include either assisting us with the planning/coordination pieces or volunteering on "day-of" activities.

Please see the attached powerpoint for more information and feel free to reach out to us if you are interested in assisting with the planning/coordination of the Book Fair. We had a few folks volunteer to take on these roles (thank you!), so we are planning to host another meeting in early January to get started on those tasks.

We sensed a lot of enthusiasm on Wednesday around the Book Fair, and we are really looking forward to planning a great event! As noted above, our contact information is in the powerpoint, so please reach out to us directly with any questions.
