

Grade 3 to Grade 5 Immersion Students

Prince George's County Public Schools
Immersion Office

Dear Parents,

In this packet we are providing several resources for your child to continue to read and practice Math skills during the time off school.

We would like you to encourage your child to continue reading daily and are providing a reading log to track progress.

So please use the Reading Log as a tool to help raise a lifelong reader.

Happy Reading!

Proficiency Test Practice

STAMP Test

The STAMP Test is given to Immersion students to determine their language proficiency. In Spanish Immersion, we currently give the STAMP Se test at the end of 5th grade to help determine our recommended middle school pathway for students. Please find some sample tests to practice for this important assessment:
