Dear Parents,

Welcome to Back to School night! At Dora Kennedy French Immersion School, our goal is to provide all of our students with a wealth of knowledge for them to be successful in school and in the real world. Parent involvement is the key to the overall success of children. Additionally, children's motivation for school increases when parents show an interest. At Dora Kennedy, the staff is determined to assist our middle school students transition to high school. As your child's school counselors, we play an instrumental role in working directly with your child on their academic, career and personal/social development.

Thank you for the opportunity to work with your children. If you should have any questions and/or concerns, please do not hesitate to contact us directly at sarah.chung@pgcps.org or rachele.donohue@pgcps.org or 301-918-8660.

Sincerely,

Rachele Donohue and Sarah Chung
