

Welcome to a new school year! We are looking forward to teaching your child in English Language Arts class.

Your child needs to be ready for class every day. A three-ringed binder with notebook paper, two pencils, eraser, reinforcements, and post it notes are required materials. These are due in class by Friday, September 15. It is helpful to keep materials in a pencil holder inside of the notebook (no boxes, please). All materials should be labeled with your child's name.

All children will have weekly homework. Please check the calendar and Table of Contents in your child's notebook frequently to determine specific assignments and due dates.

Book reports will be assigned monthly, beginning in October. Please, help your child plan ahead so that preparation for the book report will be complete and enjoyable. Book reports are due on the last Tuesday of each month, unless there is a holiday.

We look forward to having good communication with you. In class, your child's teacher will explain all homework and book report assignments in great detail, with frequent reminders of expectations. You may check the ELA website, <https://tinyurl.com/elem-ela-DKFI>, for more information. If you still have questions for the teacher, please email or call your child's ELA teacher- (301) 918-8660.
